## BULLETIN ON CURRENT LITERATURE

OF INTEREST TO WORKERS FOR THE HANDICAPPED

Vol. 7, No. 3

March, 1946

### Index to this Issue

- |   |   |
|---|---|
| Accidents - 250                                     | Military Rehabilitation - 176, 196, 226                             |
| Arthritis - 198                                     | Occupational Therapy - 175, 223                                     |
| Books - 251, 252                                    | Physical Therapy - 175, 178, 179, 180, 239                          |
| Cancer - 188, 208                                   | Recreation - 180, 195, 241  |
| Cerebral Palsy - 175, 186, 189, 215                 | Rehabilitation - 166, 216, 226, 237                                 |
| Convalescent Care - 179, 197, 238, 239              | Rh blood factor - 191   |
| Crippling Conditions - 174, 205, 206, 235           | Rheumatic fever - 176, 194, 248, 249                                |
| Education - 168, 173, 177, 187, 212, 227, 231, 247  | Safety - 169, 170   |
| Employment - 172, 183, 184, 185, 199, 206, 221, 228 | Social Work - 186, 190, 196   |
| Epilepsy - 181, 186                                 | Societies for Crippled - 175, 219, 233                              |
| Equipment - 167, 205, 211, 224                      | Speech defects - 246  |
| Foreign - 174, 195, 196, 216, 217, 224, 249         | Tuberculosis - 197, 209, 214, 218, 236, 240, 243                    |
| Handicapped - 166, 206, 221, 226                    | Venereal diseases - 171, 187, 202, 207, 230, 234, 242, 244          |
| Handicraft - 193, 195                               | Veteran Rehabilitation - 183, 186, 199, 225, 227, 228, 232          |
| Hearing - 167, 177, 201, 203, 204, 211, 222         | Vision - 168, 170, 182, 184, 185, 192, 207, 210, 217, 224, 231, 245 |
| Health - 200, 220, 229, 238                         | Vocational Rehabilitation - 186, 237                                |
| Legislation - 200                                   |   |
| Medicine - 213, 236                                 |   |

\* \* \* \* \*

Any item listed here may be borrowed from the Library of the National Society for Crippled Children and Adults. Additional literature on any of the subjects will be sent to interested persons upon request.

A complete index for this volume will be issued at the end of the year. A bibliography of publications which originally published the articles listed in this Index appears on Page 7.

Issued monthly to affiliated state and local societies for crippled children, state agencies engaged in the treatment, education, or vocational rehabilitation of cripples and public or private institutions and agencies having Institutional Membership in the National Society for Crippled Children. Available to others at 50¢ a year.

166. Allen, Omer O. A Little Time with Handicapped Pays Dividends. Georgia Vocational Rehabilitation News. Feb. 1946. 11:6:1.
167. Berger, Emma. Selecting a Hearing Aid. Volta Review. Feb. 1946. 48:2:101, 107-108.
168. Best, Harry. Problems in the Education of Blind Children. Journal of Exceptional Children. March 1946. 12:6:168-175, 191.
169. Bisel, Fred F. No Slips in the Safety Program. Modern Hospital. Feb. 1946. 66:2:120-121.

Adoption of safety measurements against slippery floors in hospitals.

170. Blackburn, R. E. We Value Vision. National Safety News. Jan. 1946. 53:1:50, 72.

Protecting eyes against flying objects and correcting visual defects.

171. Brown, Murray C. M.D. Comparison of Observed and Expected Deaths in Selective Service Registrants with Negative and Positive Serologic Tests for Syphilis. American Journal of Public Health. Mar. 1946. 36:3:219-228.
